

PROFESSIONAL EXPERIENCE

May 2016 - present

Sabbatical

- Traveling around the world and the United States
- Development on personal website (www.dannyroosevelt.com); additional projects detailed below

2011 - 2016

BrightRoll (acquired by Yahoo! in December 2015), San Francisco, CA | www.brightroll.com

Prior to acquisition by Yahoo!, BrightRoll was the industry's leading provider of programmatic video solutions, including a demand side platform and marketplace. These solutions helped advertisers, publishers and partners grow their business and connect with consumers on web, mobile and TV.

Product Manager | 2014 - 2016

- Owned product strategy, execution for mobile, HTML5 video, identity management features within BrightRoll / Yahoo tech stacks
- Worked with executive teams to track revenue impacts from new feature releases, and directly contributed to millions of dollars in new revenue
- Designed, led implementation for high traffic systems to handle billions of transactions per day within complex advertising marketplace
- Successfully led multiple cross-functional teams to tackle complex problems within the industry

Senior Manager, Mobile Integrations | 2013 - 2014

- Managed technical integrations for mobile, connected TV video publishers on BrightRoll platform
- Implemented new operational systems to help onboard hundreds of additional publishers more efficiently

Senior Manager, Ad Operations | 2011 - 2013

- Oversaw quality control, trafficking, and implementation for advertiser videos on BrightRoll's demand-side platform (DSP)
- Drove revenue growth through custom creative execution and campaign targeting strategies

2009 - 2011

Apple Inc., Los Angeles, CA | www.apple.com | Mac Genius

- Resolved customer concerns with creative solutions; excelled at understanding and contributing to company trends and growth
